

## Vinegar from Wine:

وسألته عن الخمر يكون أوله خمرا ثم يصير خلا، أيؤكل؟ قال. نعم إذا ذهب سكره فلا بأس.

And I asked him<sup>asws</sup> (Imam Musa<sup>asws</sup> Ibn Jafar<sup>asws</sup>) about the wine, the beginning of it happens to be wine, then it becomes vinegar, can one consume it?' He<sup>asws</sup> said: 'Yes, when its intoxicant is gone, there is no problem'.<sup>1</sup> (An extract from a long Hadith)
