What's new:

◆ Creative IP

·Main Character: Elden Lord Tarnished Elden Lord Tarnished was a legendary Chosen who had wielded the world's mightiest weapon. What happened in the vengeful world of the Elden Ring? What happened to his wife, Heldhea, and their children? Why is he searching for his estranged son and being pursued by evil creatures? The answers to these questions and more await you as you begin a brand new life as an Elden Lord. You'll also get to unravel the mysterious history of the Lands Between and become a part of it.

·South American Explorer Regiment Bring a unique new life to your character among a group of brave and mature people of all ages. Along the way, you'll have hard fights and opportune moments to strengthen your bonds with your comrades. And even though you're proud of the uniform and watchful eyes of your comrades, your greatest bonds are with your own brotherband.

·Variety of Situations Explore various conditions and enjoy the world of the Lands Between that I created with the use of the Unreal Engine 4, where each location is filled with many mysteries. Every corner will be full of branching paths, so discover all kinds of things along the way.

■ Characters and Other Uneventful Stuff:

·Maitrea: A girl who is a descendent of the child of a Chosen and a child of the Ladies. She was sold as a slave at birth and adopted by a family that deemed her to be an inferior form of life. She struggles to protect her adoptive family from the threat of the Red Witch…and also likes to play with her cat.

·Maitrea's Friend (Elden Lord)

·Grover (Elden Lord)

·Smirna (Elden Lord)

·Vaelena (Elden Lord)

·Gordon (Elden Lord)
