
Lenovo G570 Bios Whitelist Removal

[Download](#)

February 1, 2564 B.C. â€” I have a Lenovo G570 and want to install Fenvi MPE-AX3000H with Windows 10 64-bit Intel ie-2310m. I really need your help to remove the whitelist... This article that I posted in the Windows 10 update thread from Microsoft has been removed but may be archived. I also posted a link to this article on Windows Update, but it has also been removed. I just bought a new Lenovo G570 laptop, recently upgrading from Windows 8.1 to Windows 10, and ran into some issues when I tried to install software including the Fenvi MPE-AX3000h. This article on how to remove the whitelist in Windows 10 has been removed.
