Who 15th Anniversary width="380" PNG image %width;> Doctor Who 15th Anniversary

The SCGMM will celebrate the 15th Anniversary of Doctor Who with **The new Doctor Who**, also known as The coming of the 15th Doctor.

It has been ten years since **DOCTOR WHO**, the long-running **BBC** Television show where a man called the Doctor travels with a group of companions, and sometimes enemies, and time and time again he has helped ordinary people do extraordinary things. The first doctor is now gone, as have many of the companions, and even the TARDIS, but many of the Doctor's enemies have returned.

In The coming of the 15th Doctor the Doctor has a brand-new companion, a new face and a new wardrobe - and the 90th Anniversary special on Sunday, 23rd December shows the newest incarnation travelling with old companions and fighting familiar foes. It's going to be everything you loved about the last time you watched the show, and a lot more besides.

A new series of adventures in the richest and most expansive story ever told in Doctor Who, and the first to feature a brand-new companion.
