AntiVir Free Antivirus Pro is designed to protect your PC from viruses, Trojans, worms, spyware and other cyber threats in real-time, keeping you safe from "attack". This is the free version of the premium version, Pro 5.5. AntiVir Free Antivirus Pro 5.5.1 - Free Edition is a light-weight security solution that is designed to keep your PC protected from viruses, Trojans, worms, spyware and other cyber threats. Its small size allows you to run AntiVir Antivirus Pro at no cost. AntiVir Free Antivirus Pro 5.5.1 - Free Edition has 2 antivirus engines, AVAST and ANTIWER, which will keep your computer safe from virus attack. AVAST is more suitable for Windows XP SP2+ while ANTIWER is better for Windows Vista and higher. AVAST is not an antivirus software which means it does not remove or contain viruses, but it will detect and warn you if your PC has a virus. SPC Elite 5.5 is the latest enhanced version of the world renowned SPC Pro. This advanced anti-virus is the only antivirus that can detect and remove all types of malicious files or programs including viruses, trojans, spyware, adware, browser hijackers, worms and more!
