32. Description: Click the button  
to download a free trial of Desk  
Surveyor v1.5.2 for Windows. 33.  
Desk Surveyor v1.5.2 This  
program enables you to keep  
track of your file folder and to  
find files with keywords and  
categories. Desk Surveyor allows  
you to automatically recognize  
your documents based on

---

keywords. When you delete a document, it will be automatically moved into a special folder in a data archive. The application helps to organize your information and to simplify your daily work. You can use the program to recover data and to find documents that have not been filed yet. \$ 8002 34.

Description: Click the button to download a free trial of EZ News Archive v3.1.3.1 for Windows.

35. EZ News Archive v3.1.3.1

---

This utility is designed for easy to use archiving and indexing of news content. The application consists of two modules: a news indexer and a news extractor.

This tool can archive news content, categorize it and index it for easy retrieval. The program can be used to index news based on content, date or tags. The saved content can be easily exported as a list of RSS feeds, an HTML table, a CSV file, a text file, a PDF file and a text file. \$

---

8002 36. Description: Click the button to download a free trial of Email Attachments Extractor v3.0.0.7 for Windows. 37. Email Attachments Extractor v3.0.0.7 This tool is designed to help you retrieve email attachments in just a few clicks. The program allows you to browse all email messages. You can search for text in email messages, and you can find the email addresses of the senders and recipients. The list of mail attachments can be exported as a

---

CSV file for further analysis. \$

your comments below. We reserve the right to remove or edit any comments that are deemed to be rude, inflammatory, offensive or off-topic. The full comment policy can be viewed [here](#). How can people be so ignorant of human nature and their own nature? I'm writing to ask how you people are so in touch with the most basic, fundamental, and essential human nature. Please explain to me how you can say that your daughters are not

---

human, when they will one day marry a boy and have children of their own. Imagine my daughter had this other young man at the age of 14. And she had been in love with him for years. He was her best friend, her room-mate, her secret, even her bodyguard from the age of 12 and she took him for granted, because they were too young to take anything seriously. So imagine now, imagine when she was 12 years old, she said to me, “Please,

---

daddy, would you keep a secret between me and my lover, as I want to tell you that I am pregnant with his child and I want you to know that it's not his baby"? If you could have heard my voice, and my first instinct when I heard her say that was to laugh out loud. I was thinking that she was talking about a 10 year old boy at the playground. But my wife told me "You don't understand that she would have been pregnant when she was 12

---

years old. We have to be mature, especially when we talk about childbearing.” I looked at my wife and I said, “If you are thinking about your childbearing in this manner, then you should be thinking about the morality of those 10 year old boys.” My wife looked at me and she said, “You don’t understand. She will be just as immoral as they are.” We had many discussions like that. We would discuss it during our family dinner. I

When working on large projects or teams it is important to have an overview of the entire process of a project. For this purpose Clock for Windows 8 was designed. Clock for Windows 8 is a simple tool that aims to calculate the value of the time spent into an appointment. You can use it to assess the productivity of your team by using the hourly rate to estimate the value of every meeting. The program allows you

---

to add multiple hourly rates and specify the number of persons involved in the meeting. The event history is stored in the application and can be exported as a CSV file in order to analyze multiple meetings. Features: - Finds the person in charge of the meeting - Sums the elapsed time - Multiple hourly rates - Scheduling of meetings - Meeting history - Export of meeting history to a CSV file

## 2. Meteosoft Scheduling
